

COMMUNITY SPEED WATCH

Community Speed Watch is a police based scheme which trains local residents to use the speed radar gun within Bempton/Buckton.

To enable the scheme to be undertaken a number of residents will need to volunteer their time. You will be trained by the police to use the equipment and complete the paperwork. Three volunteers will have to work together on each occasion with the information collected passed to the coordinator at Humberside police who will send letters out to any motorists who have been recorded speeding through the village.

If you are interested in becoming a volunteer please contact Claire at

bemptonparishcouncil@gmail.com

with your name and contact details.
